

## **Prayer for Persecuted Christians Around the World**

Loving God,

We ask that you hold all those who are being persecuted for their profession of Christianity in your compassionate heart.

Protect them and give them courage and hope for a future where their religious beliefs are allowed to be practiced without constraints.

We pray that their suffering may cease and that the brutality inflicted on religious minorities will stop.

We ask that those who have fled persecution will find safe haven for themselves and their families.

Provide for them shelter, food and income to meet their daily needs.

We pray that peaceful solutions will come to all those who place their trust in you.

Thank you, God, for your incredible love for us and for sending your Son, Jesus who sacrificed His life on the cross for our sins.

Lamb of God, have mercy on us. Amen.
