Thank you for your sweet, encouraging words. I let all the involved teachers read them and they were so excited. It's a privilege for us.

Some of the drawings and letters from St. Lawrence School

January 26, 2018

Dear friend,

My name is Matthew and I am a Fourth Grade student at St. Lawrence School. This is a Catholic school and is joined to our parish church.

My favorite sports are soccer, basketball, and football. My hobbies are rebuilding, fishing, and playing with cars. I enjoy eating salads.

As a Christian I believe in God. The Beatitudes say, "Blessed are they who are persecuted for the sake of righteousness for theirs is the Kingdom of Heaven. Putting up with hardship for your faith is a mark of a person who is strong in what they believe."

Know that I am thinking of you and praying for you, because I believe what you believe. We are strong when we have friends because we can be friends. Please write back and tell me about yourself. I look forward to hearing from you.

Sincerely,
Matthew
