

## ROSARY FOR FOOD & HARVEST

To acknowledge God's green earth, those that work the land, those that prepare the food, families that enjoy a meal and all the products of work has to offer. Let us pray for those working during Covid-19, for family members with health related concerns, for family members and friends who can't be together and for all loved ones taken from those during this pandemic, may their souls rest in peace.

**Sign of the Cross - Apostle's Creed, Our Father, 3 Hail Mary's, Glory Be**

1. **The First Luminous Mystery: The Baptism of Jesus**      **Fruit of the Mystery:**  
**Living the Baptismal Promises**

May we thank our Heavenly Father for the beautiful earth that provides His children with bountiful natural resources to sustain life. From land, sea and sky we must carefully use those earthly gifts to sustain and protect our earth.

2. **The Second Luminous Mystery: Wedding at Cana**      **Fruit of the Mystery:**  
**To Jesus through Mary**

May we recognize and thank those who labor on this earth, those that harvest the crops, transport the products, prepare, and sell the harvest. Let technology only be used when it lessens the work and produces richer results that leads to more abundance for the good of others.

**3. The Third Luminous Mystery: Proclaiming the Kingdom of God Fruit of the Mystery: Repentance & Trust in God**

May we respect and provide fair wages for an honest day's work. May no laborer be exploited, and may we always remember each worker may have a family to provide for. Let us keep their family in our thoughts, care, and give our support and help when needed.

***Our Father, 10 Hail Mary's, Glory Be, Fatima Prayer***

**4. The Fourth Luminous Mystery: Transfiguration Fruit of the Mystery: Desire for Holiness**

May communities utilize knowledge and products of harvest for helping our neighbors through community gardens, food pantries, meals for homebound and homeless, and other ways. May we strive to live simply, share our blessings, and take time to enjoy the earth and its beautiful natural resources.

**5. Fifth Luminous Mystery: Institution of the Eucharist Fruit of the Mystery: Adoration**

May we set time daily to enjoy a meal together during which we express thanks to our Heavenly Father for all the blessings that have been given us.
