

Dear CCW Ladies,

With our Christmas meetings and parties being cancelled, we miss seeing each other and celebrating together BUT ....

- 🌿 We Trust that there will be better days ahead.
- 🌿 We Trust in having a greater love and appreciation of each other.
- 🌿 We Trust that we have grown closer to our families.
- 🌿 We Trust that our Spiritual Life has grown.
- 🌿 We Trust that we have become even stronger prayer intercessors for others.
- 🌿 We Trust that we are stronger than we ever thought we could be.
- 🌿 We Trust that the Holy Spirit is doing something new!
- 🌿 We Trust that God's plan is perfect!
- 🌿 We Trust that the Blessed Mother helps us to still serve others through her, "Yes."
- 🌿 We Trust that a tiny baby, born in the lowest of circumstances, became the Savior of the World.
- 🌿 We Trust that God still sits upon His Throne!

Do not despair. Be filled with Christmas Joy.  
We ARE Alleluia Women.

Merry Christmas and a Blessed New Year!
