

Sign up for the Banquet at the NCCW Convention and you will be inspired by the melodic voice of

Mark Forrest, Irish Tenor

Mark has sung inspirational hymns for saints such as Pope John Paul II and Mother Teresa.

His "**song**" is The Faith and Family Foundation, an organization he and his wife Muriel, founded in 1999 to support and encourage individuals and families with special needs.

His "**lyrics**" are the sanctity of human life, at every stage and age.

The Foundation offers annual awards recognizing outstanding persons with disabilities, or individuals who work with or care for persons with disabilities, as well as awards to those who best exemplify the ethos of Faith and Family in a public setting.

Mark uses his music to inspire people everywhere to appreciate the importance of their faith and their family life in today's changing society.

All proceeds from Mark's concerts and the sale of his CDs and tapes go to benefit the Foundation.
