

The National Council of Catholic Women, The Catholic Daughters of the Americas, and The Knights of Peter Claver Ladies Auxiliary are working together, with direction from the U.S. Catholic Sisters Against Human Trafficking on an

Anti-Trafficking Project

- ➔ Human trafficking is the recruitment, harboring, transportation, provision, or obtaining of a person for involuntary labor or service.
- ➔ Trafficking victims live among us. They may be growing our food, making our clothes, serving in restaurants or nail salons and building our electronic devices.
- ➔ Human trafficking is a \$150 billion criminal industry. Traffickers use violence, deception, threats and other means to keep people in bondage against their will.
