

The National Council of Catholic Women acts through its members to support, empower, and educate all Catholic women in spirituality, leadership, and service. NCCW programs respond with Gospel values to the needs of the Church and society in the modern world. Founded by the United States Bishops in 1920.

- ♦ **You are Represented:** The NCCW Board of Directors, Staff, and other volunteers work closely with the United States Conference of Catholic Bishops, the United Nations and World Union of Catholic Women's Organisations (WUCWO): representing the interests of Catholic women in service to the Church. Your membership ensures the united voices of Catholic women will be heard.
- ♦ **Outreach:** NCCW members partner with Catholic Relief Services, Catholic Charities, Catholic Legal Immigration Network, Inc. (CLINIC), Catholic Climate Covenant, and other organizations in support of their work at home and abroad.
- ♦ **Leadership, Service, Spirituality:** NCCW members incorporate gospel values in their activities with a commitment to the dignity of all human life, to strengthen families, build better communities, and address societal problems at home and abroad. NCCW provides leadership, education, and advocacy on many contemporary issues, including social and economic justice, domestic violence, homelessness, and human trafficking. NCCW offers their members resources for personal spiritual growth and development. Whenever Council gathers, members are united in prayer!
