

The Nominating Committee worked diligently to secure a nominee for Treasurer. We are so blessed to have our candidate who is willing, able, and well qualified to serve. Our candidate has been a devoted and active member of Council since 2000. We would like to present our candidate, Venessa Lopatka.

Venessa Lopatka

Winfield, Illinois | Diocese of Joliet | Province of Chicago

"My financial background of 27 years and love of Council has drawn me to candidacy for NCCW Treasurer. My professional career included public accounting, corporate, non-for-profit and governmental. I have worked in accounting, financial reporting, budgets, and treasury management. I joined my parish CCW in 2000, expanding to the diocesan level. I served terms and Treasurer and President at both levels and am currently the Province Director. Finances are an integral part of NCCW's work to accomplish its missions. With my background and God's grace, I will work to keep our organization on track to grow and continue as financially secure."
