St. Patrick & the Legend of the "Lucky Clover"

As legend goes, St. Patrick used the heart-shaped leaves of clover to symbolize the Holy Trinity—Father, Son, Holy Spirit.

The four-leaf clover became a symbol of luck, with each leaf representing **faith**, **hope**, **love**, and **success**. The first literary reference to Four Leaf Clovers to suggest good fortune was made in 1620 by Sir John Melton: 'If a man walking in the fields finds any four-leaved grass, he shall in a small while, find some good thing.'
